This 3 bedroom home has just been professionally re-decorated throughout along with new carpets and interior doors. The home enjoys an off-the-road position yet offers the convenience of parking and a garage with direct access into the garden. The layout of these original straight staircase homes is larger than the terraced spiral stair style in the vicinity, offering two double bedrooms and a single, along with a more spacious Living Room leading onto the Dining Room and Kitchen. The rooms are distinct but open plan allowing easy flow between the spaces. The double doors from the Dining to the patio are a nice feature.

As well as the total decor refurb, important upgrades have been previously added including gas radiator central heating, double glazing and PVC fascias and cladding. The kitchen has been re-fitted with a range of tasteful cabinets and there's a ceramic tiled floor in the Kitchen and Dining Room.

Chase Hill Road is a no-through road in the Church End area of Arlesey allowing commuters a walk to the mainline station of just 0.6 miles (c. 10 - 13 mins).

The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station with direct travel to London St. Pancras in under 40 minutes. Dating back as long as the 1086 Domesday Book, there is a broad range of home styles and building eras - something for everyone! Gothic Mede Academy provides Primary education in the middle of the village, with numerous Secondary options including Etonbury Academy on the Arlesey/Stotfold border. Further facilities and shopping are available within a few miles in the larger towns of Letchworth Garden City and Hitchin to the South.
