Set back from the road behind greenery, this magnificent detached home has been lovingly maintained throughout including the generously stocked, established gardens. The driveway for this plot allows parking for at least 4 vehicles so ideal for those with additional vehicles or driving teenagers.

It should be noted that this is a larger house than some other 5 beds in the vicinity with larger bedrooms, the vital additional bathroom on the top floor and a double width garage rather than double length. Both the Master and Bedroom 2 have ensembles making 4 bathrooms in total plus the cloakroom/WC.

Naturally the living space is generous too with a 22' x 11' Living Room, separate Dining Room and immaculate grey and white Kitchen/Breakfast Room along with an adjacent Utility Room leading out to the garden.

With bonus features including a sizeable log cabin/summerhouse and office section within the double garage, this really is the complete family package: all dressed up and ready to go.

Arlesey is a large village just North of the Beds/Herts border, surrounded by countryside yet within easy reach of the A507 and A1(M). The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station (approx 8 minutes walk from this home) with direct travel to London St. Pancras in under 40 minutes. Dating back as long as the 1086 Domesday Book, there is a broad range of home styles and building eras - something for everyone! Gothic Mede Academy provides Primary education in the middle of the village, with numerous Secondary options including Etonbury Academy on the Arlesey/Stotfold border. Further facilities and shopping are available within a few miles in the larger towns of Letchworth Garden City and Hitchin to the South.
