A 'larger than it looks' link-detached home in a cul-de-sac position just a few minutes walk from Arlesey's local shopping. This house type by design has the second bedroom over the garage allowing 3 double bedrooms in all and an ensuite to the Master. The accommodation is further enhanced with an approx 13 x 12 conservatory which has recently had it's roof replaced with a solid insulated version with two skylights - better insulation for a more even temperature.

The kitchen is a strong feature, beautifully fitted with a wide range of farmhouse style cabinetry and including built-in fridge, Siemens double oven, hob and hood, microwave and dishwasher. The room is ample sized for family dining although the conservatory is another dining space option. An additional utility room has been created from the back part of the garage for the purposes of laundry and storage - the garage can still take a very small car - see photo!

Both front and rear gardens have been carefully landscaped for minimum maintenance. and striking black steel rail fencing and gates to the front add terrific kerb-appeal. The back garden has a selection of well stocked flower and shrub beds, feature pergola and a garden shed - there's plenty of room for outdoor relaxation.
