At the bottom of the garden is a brick & block built, wood-clad home office with mains power and ethernet, plus two garden sheds.

Downstairs accommodation includes a living room with a real open fire, generous dining room with french doors out to the patio, an extended fitted kitchen offering alternative dining space and a tiled shower room. Upstairs there's 3 double bedrooms plus a long bed 4 ideal as an office or kid's room as well as an en suite shower to the Master and an additional WC.

The property further provides double glazing, gas radiator central heating and a water softener. Please review all available property and location information and then contact us for viewing.
