Charming and quirky and convenient all rolled into one! This centrally located home comprises split-level floors giving some striking internal perspectives and a break from the norm. The quirkiness is backed up by useful accommodation though including a longer than typical front room, a spacious lower-level (semi-basement) flexible office space (ceiling approx 1.75m) and a Master Bedroom with a range of fitted wardrobes. There's also a spare Bedroom, a sparkling fitted kitchen with built-in appliances and a former bathroom, now converted with an extra-wide shower. Outside, the enclosed courtyard garden has an excellent degree of privacy and faces west for afternoon sun. The property also has the distinct advantage of a private off-road parking space in a purpose-built parking area to the rear.

Arlesey is a large village just North of the Beds/Herts border, surrounded by countryside yet within easy reach of the A507 and A1(M). The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station with direct travel to London St. Pancras in under 40 minutes. Dating back as long as the 1086 Domesday Book, there is a broad range of home styles and building eras - something for everyone! Gothic Mede Academy provides Primary education in the middle of the village, with numerous Secondary options including Etonbury Academy on the Arlesey/Stotfold border. Further facilities and shopping are available within a few miles in the larger towns of Letchworth Garden City and Hitchin to the South.
