Great opportunity! Situated at the end of a no-through road this two bedroom end of terrace home is one of only two front/back garden homes with the bay window giving extra space in the Living Room. Being on the end also a means a wider plot which not only gives a larger back garden but has enough room for a garden shed at the side. The garden has been nicely landscaped for minimum maintenance and has a raised sundeck at the back, ideal for garden seating etc.

Inside at the back, the kitchen/diner has been re-fitted with high-gloss white units and contrasting dark counters and has both a dishwasher and the oven/hob built-in. The living room at the front is separated from the front door with a useful entrance porch so you don't walk straight into the living space. The bay window in this room allows for extra furniture or just a greater feeling of floor space as well as the light it brings in.

Upstairs, Bedroom 1 at the front has large 3 door built-in wardrobes plus further storage in a double-door airing cupboard. Bedroom 2 is at the back and an ideal child/baby room or office/spare bedroom whilst the bathroom (with a window) is usefully long with a bath and shower over.

Ramerick Gardens is on the southern edge of Arlesey just minutes from the Herts/Beds border and with easy access into Hitchin and Letchworth. This also provides the choice of three mainline stations (and two train lines) direct into London.
