Quite a rarity - character cottage with 3 excellent bedrooms, two doubles & a generous single AND the convenience off-road parking at the front. Much work has been completed both inside and out and this really is a move-in ready home.

Downstairs the receptions have been opened up to give a spacious living room of about 19 x 12 with a bright feel thanks to dual aspect windows. The staircase is enclosed and is a modern revision so no short steep steps! There's also useful storage under the stairs. To the rear the kitchen has been completely re-fitted in quality framed units and has a built-in double oven, 5 burner gas hob (with hood over), integrated fridge/freezer and even space for a slimline dishwasher. Right at the back is a very smart, modern bathroom with a shower over the bath and glass shower screen.

Through a door from the back of the living room is the staircase leading to the landing and the bedrooms. Bedroom 1 (double) at the front has a wide range of built-in wardrobes. Bedroom 2 (double) at the back has ample space for wardrobes plus the cupboard housing the combi boiler. Bedroom 3 in the middle (window at side) is really decent size single with built-in storage.

Rear garden is a delight, completely kitted out in decking with low-maintenance borders featuring shrubs and young trees for a touch of greenery against the characterful brick wall. Fencing is grey painted in a contemporary style and there's a matching painted garden shed with double doors. The front is shingle and concrete hardstanding for vehicle parking and there's a decent width, gated & private side path between the front and back.
