Roomy character cottage with the all important off-road parking to the front and a sunny aspect south-facing rear garden. It is situated within 1 minute walk of local shopping and about 5 minutes walk from local countryside trails in two directions. Following long term rental, the property has just received a thorough spruce-up and re-decoration presenting a genuinely spacious and appealing home available CHAIN FREE!

The small back garden has just been newly laid with Indian slate style paving and looks very smart indeed with almost no maintenance required. An unexpectedly large shed is also part of the outside space. At the front the off-street parking space is ample for all but the largest vehicles and having this drop-kerb space leads to a second on-street space in front being reserved.

Location

Arlesey is a large village just North of the Beds/Herts border, surrounded by countryside yet within easy reach of the A507 and A1(M). The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station with direct travel to London St. Pancras in under 40 minutes. Dating back as long as the 1086 Domesday Book, there is a broad range of home styles and building eras - something for everyone! Gothic Mede Academy provides Primary education in the middle of the village, with numerous Secondary options including Etonbury Academy on the Arlesey/Stotfold border. Further facilities and shopping are available within a few miles in the larger towns of Letchworth Garden City and Hitchin to the South.
