Delightful turn-of-the-century cottage with character features including living room fireplace with log burner, period fireplace in Master Bedroom & separate receptions with double doors to divide or open. The 14' Kitchen has lots of cupboards, inset Belfast sink, double oven and even room for dishwasher. In the front garden, a recently rebuilt wall separates from the street and a front porch with recent new composite front door makes a pleasing entrance with space for coats and shoes.

Upstairs the larger bedroom has built-in wardrobes whilst Bedroom 2 can also take a double bed. The generous size bathroom has a large corner bath (NB new side panel coming!) and being located upstairs is a major advantage over many cottages with the bathroom downstairs at the back.

The back garden at around 60' is lawned with a paved patio area and a gated rear access to the street at the back giving two parking options, front and rear.
