This family size home is a fabulous whole package - location, presentation and upgrades are all highly rated by us. And it's for sale with NO UPWARD CHAIN.

LOCATION

A desirable no-through road position with Arlesey's mainline station just 10 mins walk in one direction and Etonbury Academy approx 12 mins walk in the other direction. There's also a large local convenience store just a few hundred metres away and country walks including trails along Pix Brook and the Hicca Way and River Purwell by the station.

ACCOMMODATION

The original ground floor layout has been amended to a broad open plan space incorporating a WOW-factor Kitchen/Family Room with central island and living room area, a guest cloakroom/WC and built-in storage. All conversion works completed to the highest standard and signed off with Building Regulations. Jumping to the top floor, this is entirely occupied by the Master Bedroom and its Bathroom - hence both of these are very spacious indeed and the bedroom incorporates generous his'n'hers wardrobes and has brand new carpet. On the middle floor is a full width further Sitting Room which could also be a large double Bedroom 4 plus two further bedrooms and a family bathroom.

PRESENTATION

From the smart block-paved driveway, through the obviously impressive open-plan ground floor, through each room from top to bottom and neatly stocked & maintained garden, there is no doubt this is a move-in ready prospect.

EXTRAS

The Kitchen re-fit is a vision in white based around a desirable central island design and includes all appliances (Howdens LAMONA brand) - above and beyond what most might specify:

Eye-level double fan oven with combi top section (fan & microwave)

Five burner gas hob with extracting hood over

Integrated washing machine and dishwasher

Integrated Fridge/Freezer

Separate Wine Cooler

Mixer tap with boiling water on demand

The ground floor area also has a high-tec smart "Automist" in-built sprinkler system

PLOT

This home enjoys a south-west facing rear garden aspect which some might say was the most desirable! The garden is relatively low maintenance (cut the grass) with a generous patio in the sun most of the day and another decked area with a shed, shaded at the bottom of the garden. At the front is a full-width driveway for vehicle parking. Ample on street parking is also present with a low cost resident permit system (due to station proximity).
