### LOCATION

A non-estate position with Arlesey's mainline station just 6-8 mins walk in one direction and the A507 leading to the A1 a few minutes drive in the other direction. There's also a large local convenience just a few hundred metres away and country walks including the Hicca Way and river by the station.

### ACCOMMODATION

The original ground floor layout has been extended to the rear and side, now providing the WOW-factor Kitchen/Diner/Family Room with vaulted roof and skylights, a guest cloakroom/WC, a separate utility room and a small garage suitable for storage/bikes/large motorcycle. Upstairs the bedrooms were already well proportioned, especially the master, and there's also a bonus loft room used as an office.

### PRESENTATION

The majority of the home has been re-decorated and represents a move-in-ready opportunity. The front driveway is block paved with a shingle section (currently hosting a caravan) and is therefore neat and low-maintenance. The rear garden has been well-thought out and executed, again requiring minimal maintenance.

### EXTRAS

In the process of creating the large Kitchen/Family Room, all new kitchen fittings were installed including a hidden corner 'walk-in' pantry unit, side-by-side twin fan ovens, oversize induction hob and integrated dishwasher. The guest cloakroom/WC has been cleverly installed utilising space under the stairs. The bathroom incorporates a wet-room area adjacent to the bath - ideal for splashy bath times and in-bath shower use. It might go without saying but the 17 x 17 (5.4m x 5.4m) cabin is one HUGE extra and viable as an office, a gym, a studio or an entertainment space.

### PLOT

Even with the rear extension and the large cabin, the garden is still around 50' (15m), not too big, not too small and enjoys a south-facing aspect for sun from mid-morning to sundown. The frontage right now easily accommodates the owner's two cars and caravan, or three cars with a fourth possible depending on size.

The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station with direct travel to London St. Pancras in under 40 minutes.
