Situated around 15 minutes walk to Arlesey's mainline rail station and just a few minutes walk to the local lower school, this family-size, extended home offers character, remarkable space and convenience. Originally built c.1930s, the property has been extended to the front, back (on two floors) and upward too: a professional attic conversion with rear-facing dormer provides the Master Bedroom with a contemporary glass-screened Juliet balcony and its own full bathroom. There are three good bedrooms on the middle floor with another full bathroom whilst on the ground floor there's an entrance hall, Living Room with open fireplace and a large open-plan Dining Room and Kitchen extending to 7m (23')!

Outside, there's off-road parking for 2 cars side-by-side with room to spare plus a side driveway leading to a substantial pitched-roof (with recently installed solar panels) garage building incorporating both the garage space and a separate workshop area at the rear. The garden is long by any standards at around 50m (165') from the back of the house to the back fence and provides adaptable sections ideal for gardeners and the growing family alike.

The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station with direct travel to London St. Pancras in under 40 minutes. Dating back as long as the 1086 Domesday Book, there is a broad range of home styles and building eras - something for everyone! Gothic Mede Academy provides Primary education in the middle of the village, with numerous Secondary options including Etonbury Academy on the Arlesey/Stotfold border. Further facilities and shopping are available within a few miles in the larger towns of Letchworth Garden City and Hitchin to the South.
