Charm in abundance throughout this Victorian cottage which is set back from Church Lane, right opposite St Peter's Church and just a few minutes walk to Arlesey station. A rural feel yet close to amenities.

The cottage is larger than it looks as it includes all the area over the arch, affording a much larger Master Bedroom plus a whole extra first floor room (ideal as a study/workspace) in addition to Bedrooms 1 & 2. The Master boasts two large built-in wardrobe sections whilst Bedroom 2 has its own double wardrobe too. The third room/study could be used as a temporary bedroom as needed.

Downstairs radiates charm. From the Living Room with working fireplace and leafy outlook, through the recently bespoke-fitted, period style kitchen with breakfast bar, the rear hallway and homely bathroom, it's all delightful.

The outdoor space is a great surprise too! The plot is accessed via a short wooded path, with permit parking on Chase Close at the top (£10 annually for first car), leading to a leafy, shaded front garden with many plants and a pond. To the rear is a generous courtyard ideal for entertaining but there's also a separate, long lawned garden offset to the left hand side with a vegetable patch and two sheds - see the photos to identify location..

The sellers have undertaken an extensive program of renovation including many bespoke elements:

- Hand-built kitchen cabinetry/pantry/storage/breakfast bar with solid oak counters
- Built-in wardrobes to Bedrooms 1 and 2.
- Restored and operational character fireplace in the Living Room (simply deflate 'chimney balloon' and place a fire basket or grate - also suitable for log burner installation)
- Re-decorated throughout
