Built in 2007, one of just 2 homes on a private driveway away from the High Street, this substantial home offers genuinely spacious and comprehensive accommodation for the family. At approximately 1865 sq ft (173 sq m) plus the double garage, it's no wonder there's a grand feeling of space throughout.

High points and features:

The sheer size of the Kitchen/Dining/Family Room can only be described as dramatic at around 27' x 17" with a beautiful high gloss Kitchen installation with integrated appliances and breakfast peninsular. The dining area has wide French doors and windows out to the south-facing patio resulting in a lovely bright room. A similar set of wide French doors and windows grace the south facing side of the living room, also leading out to the patio.

Key additional rooms include a separate Study, guest cloakroom/WC and Utility Room off the Kitchen.

Of the four bedrooms, two have ensembles with the second one ideal as a teenage zone or guest suite. There's a very generous third double with fitted wardrobes and a smaller fourth double currently used as a dressing room.

During ownership the sellers purchase additional land from a neighbouring home to extend the garden which is now approximately 1600 sq ft (150 sq m) and includes a large courtyard style patio, a lawned area and a garden shed area.

The double garage on the plot to the front has a remote control automatic door, power and light. The title of the property includes side by side 2 car parking on the drive access and by this design it is possible to park 1 or 2 further vehicles in front of those.

The property is approx 15 mins walk to Arlesey's mainline station and there are various other walks to take, most notably onto The Hicca Way just 5 mins walk away, a meandering trail along the River Hiz through nature reserves - Glebe Meadow and Old Moat - and Arlesey Common.
