Check the floorplan on this extended, no-step level-access bungalow - it's much bigger than it looks and it's situated on a very generous plot just 9 minutes walk to Arlesey's mainline station (direct to London St Pancras). The plot allows for an extensive driveway to the front and side (parking for 4 - 5 cars) and the crowning glory which is the 80' south-facing garden.

The present owners have undertaken an extensive upgrade process through out with a bespoke contemporary style fitted kitchen, high-end re-fitted bathroom, all new decor and flooring and new boiler. The 14' master bedroom has a whole room length of fitted wardrobes, there's a second double bedroom and also a ready-to-use workspace cabin with power ideal for work-from-homers or possibly hairdressers/therapists/dog groomers etc. The cabin can be accessed from the driveway without going through the garden and there's a separate side access on the other side of the bungalow. A new garden shed was also installed in 2022.
