This character cottage is located around halfway through the village, just a stone's throw from the park and just over a mile (approx 20 min walk) to Arlesey's mainline train station. A feature important to many is the allocated parking space right next to the back garden (there's also a professionally installed Electric Vehicle charger + cable) and there's plenty of additional public off-road parking nearby.

The home has been pleasantly decorated with a cosy, homely feel and offers a terrific First Time Buy opportunity. Set back from the road with a gated front garden, you first enter the spacious living/dining room with ample space for a proper dining table as well as lounge furniture. Beyond is the Kitchen which has been fitted to maximise the space and includes a built-in oven/ceramic induction hob, washing machine plumbing and space for a tall fridge/freezer. To the back is the shower room with a plus-size shower cubicle, heated towel rail and window to vent.

Upstairs the master bedroom has 3 cupboard doors, the largest of which also houses a Worcester Bosch combi boiler. Bedroom 2 is an L-shape with a wardrobe/cupboard as you enter and ample room for a single bed or office desk. This room enjoys views across the garden. NB A boarded roof space adds useful extra storage!

The rear garden is around 60', all enclosed and with a side gate to the parking (EV cable reached to the parking) and the lane to the park. Set up for low-maintenance, the garden is around 2/3 paved with various shrub borders leading on to a lawned area and finally to a garden shed at the back.

The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station with direct travel to London St. Pancras in under 40 minutes. Dating back as long as the 1086 Domesday Book, there is a broad range of home styles and building eras - something for everyone! Gothic Mede Academy provides Primary education in the middle of the village, with numerous Secondary options including Etonbury Academy on the Arlesey/Stotfold border. Further facilities and shopping are available within a few miles in the larger towns of Letchworth Garden City and Hitchin to the South.
