One of the largest homes in the area and just 10-12 mins walk to Arlesey's mainline station. The home originally benefitted from an over-size plot and has been considerably extended on both floors to provide magnificent family size accommodation, still leaving a generous West / South aspect rear garden and front parking for at least four cars.

In our opinion this is one of the best proportioned family homes available and will meet most people's tick-lists. Imagine having four bedrooms, all of which are generous doubles with Master featuring built-in wardrobes and an Ensuite. Imagine having your beautiful stately sized formal Living Room with a fireplace, skylights and doors overlooking the garden. But wait! Now you need another Living Room for the children/teenagers - a full-size TV/Family Room/Playroom/homework space - and that's here too. You dream of a recently fitted high-end Kitchen with enough space for a family dining table that also overlooks the garden through broad french doors - tick! A separate Utility Room? Not only is that here too but it's large and fitted to match the Kitchen. And of course there's a guest cloakroom/WC in the entrance. 2000 sq ft makes a truly generous family home and this is demonstrated not just in the room list but in the hallways and the overall ambience.
