Our sellers bought in 2022 as renovation project and have done everything! Unexpectedly they need to move away so here is a turn-key prospect with all new kitchen, bathroom, wiring, boiler/central heating, flooring, plastering, decor: MOVE-IN-READY.

This detached bungalow is located near the centre of the village on a no-through road with local shops within a few minutes walk. It previously had a front extension added which makes the main reception exceptionally roomy with ample living and dining space. It has a driveway to the side leading to the garage (with power). The driveway has potential for 3+ car parking by removing the current gate and there's an electric car charge point. Both front and rear gardens are walled (front wall was recently re-built) and were re-laid with a smart pale stone patio and water feature at the rear. There's a also a very generous, tall loft space so loft conversion may be possible subject to consents.

With so many available bungalows requiring renovation this one stands out because it's all done already!

Location

Arlesey is a large, growing village just North of the Beds/Herts border, surrounded by countryside yet within easy reach of the A507 and A1(M). The village offers a range of local shopping, pubs and food outlets and significantly a Mainline Railway station with direct travel to London St. Pancras in under 40 minutes. Dating back as long as the 1086 Domesday Book, there is a broad range of home styles and building eras - something for everyone! Gothic Mede Academy provides Primary education in the middle of the village, with numerous Secondary options including Etonbury Academy on the Arlesey/Stotfold border. Further facilities and shopping are available within a few miles in the larger towns of Letchworth Garden City and Hitchin to the South.
